

## He's A Helper

### To The Editor:

May I use your column to say "thank you" to a kind, unknown man?

I am the owner of a guide dog. She is kept in a kennel in the basement of City Hall near my coffee shop. Saturday I had a call from a man saying he had built me a much larger, new kennel. I was very pleased, but he would not give me his name.

I would like everyone to know there are still many kind and generous people, in spite of all the things you hear to the contrary.

My sincere thanks and God's blessings to my unknown friend.
