

Gum Wrapper Record

Coventry Twp. appears to have the holder of a gum wrapper record. **Debbie Ash**, 13, daughter of Mr. and Mrs. Donald Ash of 1194 Marilyn av., has a chain of gum wrappers 87 feet, 9 inches long.

Previous known record was held by a Middletown boy, who had a chain 75 feet, 3 inches. Only difference is Debbie weaves hers together, while the Middletown champ used tape.

Debbie says the chain can be used as a necklace. Her problem is that she needs a giraffe to wear it.

"Some things I'd like to see...the Indians win the World Series...an old lady on a Honda...our Astronauts discover the moon is really made of green cheese..."

"Every member present Sunday so we could please God and happily worry about where to put
