

★

**My husband is blind. A friend let him "see" his single-engine plane the other day. I've tried to explain huge jet planes to him. Would it be possible for him to tour a jet airliner? — Mrs. Donald Ash, Akron.**

**ACTION LINE**, Akron-Canton Airport and Eastern Airlines teamed up to give your husband a tour he'll never forget. Penny McCarthy, ex-stewardess and chief airport tour guide, showed

**DON ASH CHECKS CONTROLS WITH HOWARD ANTHONY**

Don through the passenger section and kitchen of a twin-jet DC-9. Howard Anthony, plane captain, gave him a guided tour of the cockpit and explained the maze of dials. Don came away knowing more about jets than most people who have flown in them.
